

TRIUMPH® 6655

Programmable cutter with automatic clamp, power back gauge, and digital touchpad. Cutting width is a full 25 1/2 inches.

Shown with optional side tables

- A** **TRANSPARENT SAFETY GUARD** A cut can only be executed if the hinged, electronically controlled safety guard is in the closed position.
- B** **ELECTRONIC HAND WHEEL** The electronic hand wheel, with infinitely variable speed control, is used for manual back gauge positioning.
- C** **EASY CUT BLADE ACTIVATION BARS** Patented EASY CUT blade activation bars ensure true, two-hand operation and allow blade and clamp to be activated independently.
- D** **SAFE BLADE CHANGES** Blade changes can be made without removing the machine covers. The handy blade changing device covers the cutting edge of blade.

TRIUMPH® 6655

- Digital measurement display with multilingual operator guidance, accurate to 1/10 mm or 1/100"
- Stores 99 programs with up to 99 steps in each
- Pre-programmed for standard paper sizes
- Memory key for repeat cuts
- Automatic set function for reference measurement and eject function for pushing out paper
- Self-diagnostic system with error indication on display
- Bright, LED optical cutting line
- Automatic blade return from every position
- Disc brake for instant blade stop
- Blade and cutting stick can be changed without removing covers

The programmable control module is equipped with a multilingual touchpad for easy operation. 99 programs with 99 steps in each can be stored in memory.

Convenient, drop-in tool holder is located on the rear of the machine and keeps all tools necessary for routine maintenance (including blade changes) within reach.
