WRL-4000 Series- 40" Roll Laminator
WRL-4000-HR • WRL-4000-Plus
WRL-4000-Pro • WRL-4000-Pro Dual

The WRL-4000 Series is a MADE-IN-THE-USA easy-to-operate 40" heated roller roll laminator specifically engineered to meet the laminating needs of schools, businesses, and other organizations searching for an economical and versatile laminating solution. The WRL Series is designed to meet the needs and budgets of all potential users. The basic functionality and mechanics are the same for all versions, with additional features added to each incremental model. The series comes standard with an Auto Shut Off feature designed to protect the rollers from overheating and excess wear. We offer fixed or variable speed versions, we also offer machines with or without horizontal end trimmers. The WRL Series, depending on the model selected, is capable of laminating films from 1.5 to 10 mil in thickness & has 3/16" mounting capability. Call to discuss your options today!

KEY FEATURES:
- Heated Roller Laminator
- Adjustable Temperature Control
- Adjustabe Speed Control
- Mounting Capable w/o Nip Control
- 2" or 2.5" Diameter Silicone Heated Rollers
- Safety Shield
- Electric Heat Control w/LED Readout
- Reverse Function
- Auto Shutoff
- 110 Volt Machine
- 1 Year Warranty
- Made-in-the-USA
